SKILLS

Lighting Software

Lightwright

ETC Eos

3D Design

Vectorworks

AutoCAD

Sketchup

Sound Software

QLab

Canvas

Programming

MATLAB

Java

C/C++

Python

HTML/CSS/JS

Fabrication

Wood working, laser cutters (Glow-Forge), 3D printing, hand soldering, robotics, metal bending/cutting.

CERTIFICATES

Forklift Certified OSHA 29 CFR 1910.178 compliant for 5 types.
Class 3 Microelectronics Soldering

REFERENCES

Available upon request.

Hardware/Software Design Engineer

Federal Government, 2020-present. Specializing in radio engineering. Received 8 meritorious awards in 6 years.

THEATRICAL DESIGN

Lighting Design

Flight of a Legless Bird, Lewis Center for the Arts, 2024

Avatar: The Last Ring Juggler, also programmer & electrician, Princeton Juggling Club, 2023

Olagón, also programmer and electrician Princeton Department of Music, 2022

Sinuhe, also programmer and electrician Princeton Sound Kitchen, 2022

Fuenteovejuna, Lewis Center for the Arts, 2021

Scenic Design

Narnia, Encore Stage & Studio, 2020

Robin Hood, Encore Stage & Studio, 2019

The Lion King, Jr., Encore Stage & Studio, 2018

Sound Design

Avatar: The Last Ring Juggler, Princeton Juggling Club, 2023

Alice in Juggle-land, Princeton Juggling Club, 2023

PRODUCTION STAFF

Producer, *The April Fools: A Collaborative Circus Show*, Princeton Juggling Club, 2023

Stage Manager, *Student Playwright Festival* (3 shows), Theater Intime, 2022-2023

President, Princeton Juggling Club, 2022-2023

Stage Manager, *The Three Musketeers*, Encore Stage & Studio, 2020

Assistant Technical Director, *Narnia*, Encore Stage & Studio, 2020

Co-Stage Manager, *Madeline's Christmas*, Encore Stage & Studio, 2019

Robin Hood, Encore Stage & Studio, Assistant Technical Director, 2019

ROBOTICS & OTHER CREATIONS

Electrician, robotics fabrication, and networking, Rhythm Bots at creativeX, 2024.

Robotics design and fabrication, Robotic Unicycle, 2023.

Thick origami design and fabrication, Flat-folding Origami Boat, 2023.

Web-developer and cipher historian, PurpleCiphers.github.io, 2018-present.

TECHNICAL ROLES

35+ credits at the Lewis Center for the Arts, Princeton Sound Kitchen, Princeton Department of Music, Encore Stage & Studio, Groundhog Juggling Festival, and St. Andrews' Players including **set construction** (23), **run crew**(11), **ASM** (5), **light board operator** (4), **electrician** (6), **sound mixing** (4), **sound effects operator** (2), **spot light operator** (1), and **fly operator and reweighting** (1).

EDUCATION

Electrical and Computer Engineering, B.S.E., Princeton University, 2024.

Certificates (minors): Theater; History and the Practice of Diplomacy
